Anti-electro magnetic

Mobile Cold Chain PRF-52

Antech portable fridge/freezers offer rugged construction, innovative technology and powerful yet efficient cooling. Great for adding refrigerator or freezer space to any RV, car, truck, or boat. Never use bagged ice again and is great for camping, travel, transportation of medicines. Cooling compartment can be equipped with wire basket (optional).

- ◇ Elegant Design with Matt face;
- ◇ Ultra efficiency compressor;
- ◇ Can run on 12V/24V or 110~240V 50Hz/60Hz AC;
- ◇ Adjustable temperature from -20 °C ~ 10 °C;
- ◇ Fast pull down cooling to 0 °C within 30 minutes;
- ◇ Digital temperature controller and LCD display;
- ◇ 3-stage automatic power diagnose and cut off in case of over load to protect battery;
- ◇ Anti-Vibration design for Harsh Conditions.

Model	PRF-52
Capacity	52L
Temperature range	-20 °C + 10 °C (32 °C Ambient Temperature)
Temperature Drop	52 °C
Rated Voltage	DC 12V/24V/AC 100~240V/50Hz/60Hz
Rated Power	50W(+20%)
Cooling System	Ultra efficiency compressor/ SECOP Compressor(DANFOSS/optional)
Refrigerant	R134a
Foaming Agent	C5H10/C-Pentane
Net Weight	15.8kg
Gross Weight	17.7kg
Noise Level	≤40dB (A)
Cabinet Material	ABS+PP
Product Size	690*345*524
Package Size	708*398*599
Color	Dark Gray/Light Gray/black
Optional Accessories	Insulated Jacket, Basket, Logo Screen/Lithium battery
