

GEL CARD INCUBATOR

CAT. NO.: JKI

Key Benefits:

Robust Design

PID control and industrial sensors provides ultimate results

Easy to Use

Only push the start button.
Never needs calibration thanks to integrated sensors.

Results

Only in 15 minutes your cards are ready to centrifuge.

Cost Effective

Low startup cost for small to medium labs who require a incubator for their Gel Cards. ODAK Diagnostics also supply gel cards at a competitive price.

Reader and Centrifuge are also available!
